**1. NATURE OF OPERATIONS**

Silver Sands Resources Corp. (the “Company”) (formerly “Golden Opportunity Resources Corp.”) was incorporated on January 31, 2018 under the laws of British Columbia. The address of the Company’s corporate office and its principal place of business is 830-1100 Melville Street, Vancouver, British Columbia, Canada. On, November 27, 2019, the Company’s common shares commenced trading on the Canadian Securities Exchange (the “Exchange”). On June 8, 2020, the Company changed its name to Silver Sands Resources Corp. and changed its symbol to “SAND”.

The Company’s principal business activities include the acquisition and exploration of mineral property assets. As at April 30, 2020, the Company had not yet determined whether the Company’s mineral property asset contains ore reserves that are economically recoverable. The recoverability of amount shown for exploration and evaluation asset is dependent upon the discovery of economically recoverable reserves, confirmation of the Company’s interest in the underlying mineral claims, the ability of the Company to obtain the necessary financing to complete the development of and the future profitable production from the property or realizing proceeds from its disposition. The outcome of these matters cannot be predicted at this time and the uncertainties cast significant doubt upon the Company’s ability to continue as a going concern.

The Company had a deficit of \$595,949 as at April 30, 2020, which has been funded by the issuance of equity and debt. The Company’s ability to continue its operations and to realize its assets at their carrying values is dependent upon obtaining additional financing and generating revenues sufficient to cover its operating costs.

These condensed interim financial statements do not give effect to any adjustments which would be necessary should the Company be unable to continue as a going concern and therefore be required to realize its assets and discharge its liabilities in other than the normal course of business and at amounts different from those reflected in these financial statements.

**2. SIGNIFICANT ACCOUNTING POLICIES**

a) Statement of compliance

These unaudited condensed interim financial statements of the Company have been prepared in accordance with International Accounting Standard 34, “Interim Financial Reporting” (“IAS 34”) and International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”) and Interpretations of the Financial Reporting Interpretations Committee (“IFRIC”). These interim financial statements do not include all the information required for full annual financial statements and should be read in conjunction with the audited financial statements and notes thereto as of and for the period ended January 31, 2020.

b) Basis of presentation

The financial statements have been prepared on the historical cost basis, with the exception of financial instruments which are measured at fair value, as explained in the accounting policies set out below. In addition, these financial statements have been prepared using the accrual basis of accounting, except for cash flow information.

These unaudited condensed interim financial statements follow the same accounting policies and methods of application as the annual audited financial statements for the period ended January 31, 2020.
